(for the on-the-water time)  
\$700*

*Don't take our word for it...*

*"What a great value, when you consider the classroom time, the time on the water with the pros, great food and really nice accommodations. I've fished for years and I had a lot of misconceptions on fishing. The pros honed my skills so that I'll be a much better fisherman from here forward."*

*Jim Weaver of Elkhorn, Nebraska*

*The accommodations and agendas were first class, informative and set around the participants' interests in different presentations and techniques. I learned one new technique which afforded me the chance to land a really nice 27" walleye later that day. I recommend this school to all fishermen who would like to hone their skills. This was a first-class event, start to finish.*

*Jim Kloth of Arlington, Wisconsin*

*"I loved fishing in the pros' Ranger boats and seeing all their gear. Getting both classroom time to discuss and then hit the lake to put it to practical use was great."*

*Dan Fix of Lincoln, Nebraska*

*"This school is really quite unique. The All-Star instructors customize what they cover to meet the needs of the attendees in the classroom. Add in heading out on the water together? Spectacular."*

Chip Leer

*"To have a chance for one-on-one questions with the All-Star instructors that we bring in for this school, and then be on the water an hour later having techniques explained and shown to them is just priceless. A notebook can't contain what you learn in 2 ½ days."*

## HONE YOUR WALLEYE FISHING SKILLS WITH THE BEST WALLEYE ANGLERS – THE ALL-STARS

Learn from the best walleye anglers—like Kevin McQuoid, Mark Courts, Paul Meleen, Bill Shimota and Brian Brosdahl. Before the school begins, each attendee has a chance to voice what they want to cover during the class time. That way, you ramp up in the areas that you want and need. Trolling techniques? Jigging techniques? Bait adjustments? Electronics? With combined classroom and hands-on methods, you'll ramp up with new fishing skills. We'll make sure you have a chance to ask all your questions one-on-one with the All-Star instructors as the 2012 All-Star Walleye School.
